## PRESS PERFECT

Southampton mother of three Kate Pickett has given thank you notes a style upgrade through her letterpress company, **Pickett's Press**. The notes are printed by hand with custom-mixed inks on 100 percent cotton paper in matching fabric and color, using old-fashioned presses. Letterpress cards include birth announcements, invitations and personalized stationery. Notepads can be monogrammed, and the beautiful hand-drawn designs can be customized. "Lacrosse sticks, scooters, hedgehogs, Dreesen's donuts—you name it," says Pickett. A box of 10 heavyweight letterpress cards and envelopes are $40; notepads are $25 to $60 for 175 sheets. Check out her wares at her trunk show on August 18 *(1160 Meadow Lane)*, where a portion of proceeds benefit PAVE Academy. *Hatchlings, 30B Main St., Southampton, 283-4855; pickettspress.com*
